**Against the Tide Imperial: The Struggle for Ceylon**  
By James Young  
– November 26, 2020  
**July 1943.** When the United Kingdom was torn asunder under a hail of German firebombs and nerve gas, the distant outpost of Ceylon was an afterthought for both Allies and Axis. Now, one year after King George VI's death, the small island off of India becomes center stage for a titanic confrontation.  
*Against the Tide Imperial* is the third novel of the *Usurper's War* series. As Allied and Axis warriors are faced with a completely different war than the one planned for decades, their actions will chart a new course for the Greatest Generation.

The Coronado Conspiracy
by George Galdorisi · 1998/2017
(Rick Holden Thrillers Book 1) [EBOOK]
Off the shore of Costa Rica, the Navy command ship USS Coronado launches an all-out assault against one of the most powerful drug lords in Central America. The strike force is in position; the Blackhawks are armed and airborne, and the high-tech fist of the U.S. military is poised to come down like a sledgehammer. Everything is going according to plan until the quiet jungle erupts in a chaos of blood, shrapnel, and fire.
When CIA Operative Rick Holden and Naval Intelligence Officer Laura Peters begin investigating the circumstances of the ambush, they uncover something much more sinister than a failed military operation. There's a conspiracy at the very heart of the American government. And bringing down the President of the United States is only the first step...

For Duty and Honor
by George Galdorisi · 2000/2018
(Rick Holden Thrillers Book 2) [EBOOK]
A vicious terrorist attack leaves nearly seventy U.S. sailors dead, and the entire United States Navy looking for answers.
In the volatile waters of the Arabian Gulf, the USS Carl Vinson Strike Group - under the command of Admiral Heater Robinson - stands ready to unleash the full fury of a nuclear aircraft carrier against America's enemies. When it becomes clear that the government has no intention of punishing the murderers, Robinson decides to take justice into his own hands, no matter what the cost.
As a storm of terror descends upon the United States, CIA operative and U.S. Navy SEAL Rick Holden faces a moral dilemma of his own. The military elite in Washington have chosen Holden to halt the cycle of madness.
His orders: assassinate the strike group's commander, Admiral Heater Robinson.
